- Discussion about meetings that have met for a little less than a month being placed on meeting lists but they would have to wait until next month anyway.
- Discussion about sub-committee meetings being canceled the day of the meeting and how there is a lack of communication.

- Arch wireless bill was very high again and treasurer wanted to know if this is going to be a regular thing. Helpline said it's the pagers not being sent in since they only have 6 out of 7. Area agreed for them to send in what they have.
- Discussion about a question H&I brought up about women going into a men's facility.
