A Little bit of History

WORLD SERVICE CONFERENCE
2006

The WSC brings all elements of world services together to further the common welfare of NA. The WSc consists of Regional Delegates from around the World , the World board and the Executive Director of WSO. The WSC now operates on a 2 year cycle and will next meet April 23-29 , 2006.

Prior to the WSC a Conference Agenda Report of CAR is prepared. The CAR Is a List of motions from groups, Areas and Regions from around the World to be voted on. These Motions cover all aspects of NA (from Liture that we read to recognising new regions and further translations of of our Literature.

Now is the time in which your voice on what happens in NA can be heard . Over the nex few months Car Workshops will be held around the state of Florida.in and attempt by our Region to both inform the fellowship of what NA is doing on a World level and obtain a group by group vote on what direction we the Recovering Addicts would like to see the Fellowship of NA persue.

So if you want your voice to be heard, get involved . Go to your Home Group Business Meeting . Ask your GSR for the time and location of the next CAR Workshop or how to obtain a copy of the CAR . Got to Area Service. Let Addicts from around the world hear your concern.

More information of the world Conference can be found at

A Holiday Note from the Editor

Holidays can often be trying times for the Addict in Recovery especially if you are traveling or perhaps going home for Christmas. You may find yourself in situations where Drugs (including alcohol) are being used or you may just be facing the Family for the first time in recovery dredging up past memories.

I have found that a good suggestion is to go to a meeting or perhaps a holiday event in whatever local community you may be in. this way you will be surrounding yourself with others in Recovery.

So for this reason I am including in this Issue a list of Hotlines in the Florida Region along with some NA events that I found online by visiting other Area Newsletters. You may wish to print this page and take it with you. I hope that everyone has a Clean , safe and happy Holiday.

Crossword Answers:

"Twas the Night Before Christmas Recovery Style

"Twas the night before Christmas when all through the room

Not a member was stirring, nor sought to use.
Coffee and cookies were set out with care;
More NA members soon would be there.
Each grateful member with no trace of vanity,
Gave thanks to the Power that restores us to sanity.
The leader of the meeting, like all who have missions,
Passed out the readings and I got the Traditions.
In parking a car some bumpers were hit,
The man who was wrong did promptly admit.
And so to our grateful eyes did appear
Our famous guest speaker, loved far and near.
More rapid than eagles the member then came;
He hugged them and kissed them and called them by name:
Hi, Alice; 'Yo, Jimmy; God love you, Harry...
Betty and Carol and Birthday boy Larry!
Again we all settled, ready to share;
The leader of the meeting led the Serenity Prayer.
As dry leaves that before the wild hurricane fly
When they meet with an obstacle mount to the sky.
So up with our clean time the members they flew,
With Twelve Steps to follow, Twelve Traditions, too.
The Seventh Tradition inevitably came.
The leader then called on our speaker by name.
He wore his red suit, a fur cap and no tie,
But soon let us know with a wink of his eye,
That Christmas for us, we must not be some thug
It only means staying away from the first drug.
A bundle of joys he told us we'd find,
"Read the Basic Text for true peace of mind."
At the end of the meeting he led the Prayer
and gave us the word: "Continue to share."
But I heard him exclaim as he picked up his pack,
"Don't ever forget to Keep Coming Back!"
